

Cemtec Nails

Customer-made nails manufactured with the highest ambition: Top quality with affordable pricing!
E nails are an all-round nail suitable for most horses, shoes and sport disciplines.
E slim nails have an extra long and thin shank for higher nailing and to better fit the thinner hoof walls.
JC nails is a long neck nail with long and thin blade. Head is facet grinded for a deeper nail hole fit.
 All these nails are European style of nail that fit perfectly in most V-fullered shoes.
