AUSTUR LAND

A banner for the Austurland region. It features a close-up of a stone staircase on the left, a map of Iceland with the eastern region highlighted in red on the right, and the text "AUSTURLAND" with a small orange flower icon in the center.

AUSTURLAND

Experience & Route Map

Austurland, as we call East Iceland, covers an area of 15,792 km² and is inhabited by 10,300 people. It boasts a dramatic coastline, narrow fjords, vast highlands and mountains, plus numerous waterfalls that together, frame a fertile inland.
